

G40 "Hungry for Greatness" Summer Camp 2017

G3 America Martial Arts

Parents and students,

We are very excited to announce that G3 America Martial Arts will be hosting its G40 "Hungry for Greatness" Summer Camp 2017!! Our weekly themes, activities and games will engage our campers in Individual and Team Olympic challenges to instill in them the desire for greatness and full life potential!! Also, our campers will be exposed to community and sports leaders from our community as guest speakers sharing their life experience in pursue of greatness and, most importantly, their walk with God and how it has impacted their lives and purpose!

We believe every child was made for greatness and for an unmatched purpose with unique gifts and our goal is to build their confidence, faith and understanding what has been made available to them in believing they can make a natural and supernatural impact in the life of others and live an outstanding and purposed life!! Our kids are the next generation and they carry an enormous potential to make great things happen... It will be a summer explosion of awesomeness!!!

Below you will find a list of activities of what we will be doing and where we will be going:

Field Trips (average 3 x week)

Water Park

Indoor Bouncing and Fun Places (Monkey Joes, WOW Factory, Flippo's, Chuck'n Cheese etc....)
